INTEGRATED SAFETY SOLUTIONS

Eric has a diverse background in the field of environmental, health and safety. Eric has been responsible for the development, implementation, and management of safety programs, policies, and procedures to ensure the company complies with all federal, state and local safety laws. This required Eric to become familiar with all aspects company's concepts, practices, and procedures to achieve their safety goals. Eric is a certified IVES Master trainer, allowing him to provide safety certification training for most pieces of equipment, and an Authorized OSHA Instructor for Construction.
