# CAL/OSHA ENFORCEMENT

*Cal/OSHA is on your jobsite, what should you expect?*

Building a Safer Industry, One Member at a Time!

***There are several rumors and false ideas regarding Cal/OSHA Enforcement, what they do, and how they “put fear” into all business. This is a special session for the members of the Central California Builders Exchange, to come and learn about Cal/OSHA Enforcement.***

## LEARN ABOUT:

- The Cal/OSHA Inspection process itself
- What Employers should know, including questions to ask and their rights
- Triggers for a Cal/OSHA inspection
- Red flags of a potential scam and how you should handle it

***Join us for this special 2-hour session that will put a face on Cal/OSHA enforcement and take any fear you may have about them away.***

**Presenter: Jan Hami, District Manager for Cal/OSHA, Economic & Employment Enforcement Coalition Unit (EEEC) Northern California District Office**

Jan has been with Cal/OSHA since 2003, starting as an Associate Industrial Hygienist, moved to Associate Safety Engineer, promoted to District Manager.

Jan has conducted over 300 enforcement inspections in all industries, including investigating complaints, conducting accident investigations, and completing target industry inspections, including those conducted for construction. She is very well versed and familiar with the Cal/OSHA inspection process.

Jan has a Bachelor's Degree in Biology and Microbiology from England, UK, and a Masters Degree in Public Health from Fresno State with a major in Occupational Health. She has over 18 years of work experience in various industries as an environmental specialist prior to OSHA.
