

Prevailing Wage Workshop

Including 2012 New Law Review!!!

Do you Perform Government-Funded Construction work?

Discover no-hassle ways to comply with prevailing wage law – and get the job done!

Prevailing wage is a mandatory component of many public works projects. Unfortunately, the law often raises more questions than it answers. **Epecially this year as there are dozens of new laws!**

- What is the prevailing wage?
- What paperwork do I need?
- How can I avoid liability and complaints?
- What if I need help?
- [What are the new laws that affect me?](#)

Let's start with this seminar. Turn to our experienced presenter and you'll get the answers you seek – and the practical guidance you need to avoid penalties and costly litigation. You'll learn the nuts and bolts of complying with prevailing wage law – minus the confusion and worries.

Benefits for You:

- Understand the intricate rules, including the new laws governing prevailing wages
- Tips on investigating, responding to and defending against prevailing wage complaints
- Sidestep common mistakes by complying with recordkeeping requirements
- Implement surefire techniques for complying with the Davis-Bacon Act

Sign up now and get practical how-to's on surviving the prevailing wage predicaments in your next project.

Presented by: Kathy Keating—Labor Compliance Consultant

Ms. Keating has over 18 years of experience ranging from assisting and processing contractor payroll to Labor Compliance Officer on various private, state and federally funded Public Works projects in association with Caltrans, the San Diego Association of Governments, the San Diego County Regional Airport Authority's Terminal Development project, the City of Rancho Cordova, the City of Del Mar and SR 125 South Bay Expressway Toll Road. In addition, Ms. Keating has conducted in-depth Prevailing Wage Training Workshops for these entities as well as the Oakland CMAA, the AGC of SD and Riverside Counties and the CCBE.
